FEEL
THE
Glossiness

As smooth as the breezing wind, 'GLOSSY Surface' is yet another achievement for us. The exceptional surface is achieved with the exclusive and patented technology. It takes the surface quality to where no other technology can reach. Laying your hands on it will make you realize the elegance of the finish and you will understand how the 'GLOSSY' feels like.

With this innovation, we have overcome the myth that smooth surfaces get scratches and stains. Despite having the unmatched smoothness, 'GLOSSY Surface' is resistant to scratches.
